

PUBLIC ADVISORY: Revised Kenton Road Construction Timeline

Date Issued: June 12, 2025

Location: Kenton Road – SR8 to Chestnut Grove Road

The Delaware Department of Transportation (DelDOT) announces a revised construction timeline for the Kenton Road Improvements Project between SR8 and Chestnut Grove Road. The revised timeline is due to the unforeseen utility relocations required to complete construction and inclement weather conditions that have impacted the project's progress.

Details of the revised schedule can be found on the attached timeline and at <https://www.kentonroadimprovements.com/>.

Phase 2 – Current to June 2025

Phase 3 – June 2025 to October 2025

Phase 4 – October 2025

Phase 4B – October 2025 to March 2026 **New Phase**

Phase 5 – March 2026 to May 2026

Phase 6 – May 2026 to June 2026

Motorists should use caution and expect minor delays in the area. For more information visit the DelDOT website at www.deldot.gov, download the DelDOT app or tune to 1380 am, WTMC.

DelDOT remains committed to completing the improvements as efficiently and safely as possible and appreciates the public's continued patience and understanding during this time. Please note that this timeline is weather dependent, and any changes to the closure date will be communicated promptly.

For more information or questions regarding the work or detours, please contact info@kentonroadimprovements.com.

Also, please visit our website for more information and for the latest updates on the project at <https://kentonroadimprovements.com/>
